

Strategic Plan INNOVATION WEEK

March 9 -12, 2020

“*Strategic Plan Innovation Week*,” is a great opportunity for the AMSC campus community to not only become more actively engaged in the strategic goals/priorities, but a chance to pitch a remarkable “trailblazing idea” (similar to TV Hit series “*Shark Tank*”).

Innovation Week will be filled with strategic goal seminars, presentations from community partners, faculty, staff, and/or students regarding ways to contribute to the success of the college and ultimately revealing winners of the “AMSC *Trailblazer-Tank*.”

Prizes will surely make you or your department enter and share your brand idea!

Remember, the submitted proposals should closely align with one or more aspects of our strategic goals. More information is forthcoming regarding the entry form, rules, and regulations.
