

LOOKING FOR A NEW PATH OR CAREER? YOU BELONG HERE.

AMSC provides students from diverse backgrounds with affordable, career-focused bachelor and associate degree programs. We offer student-centered instruction, civic/community engagement, and an array of services that lead to your success.

Our smaller class size, with an 18:1 student-teacher ratio, high-quality education, and lower tuition, is what sets us apart from the larger public schools, as well as most private schools.

We offer face-to-face or online classes with full access to your professors and the tools you need to succeed academically and in life.
