

RIGHT-TO-KNOW-GLOBAL HARMONIZED SYSTEM TRAINING INFORMATION

All employees of the university System of Georgia and Atlanta Metropolitan State College are required to complete the Right-To-Know Global Harmonized System Training. This is a mandatory on-line training program which must be completed before any new employee will be compensated by the college. This on-line training program is designed to educate AMSC employees on the importance and benefits of properly recognizing and safely working with hazardous materials.

Please type in the link below to take the training.
