

Are you motivated to complete course work? Are you worried about procrastinating? Are you interested in learning more about how you learn? What makes you tick? What are your strengths? What are the challenges you may face when completing assignments?

The Learning Readiness Indicator is an assessment meant to be an interesting experience by which you may learn more about yourself. It will take you about 35 minutes from start to finish but you may log out and complete it later if necessary. After you login, you will receive an email from SmarterMeasure with a PIN number that will allow you to log back in later or view your results again. Your score will not prevent you from registering for online classes. It is a tool that will help you assess your strengths and opportunities for growth related to distance learning in 7 areas.

1. **Life Factors** – things going on in your life, how much time do you have to study, etc.
2. **Individual Attributes** – procrastination, time management, willingness to ask for help, academic attributes
3. **Learning Styles** – what is your predominant learning style?
4. **Technical Competency**
5. **Technical Knowledge**
6. **Reading Rate and Recall**
7. **Typing Speed and Accuracy**

You will receive a full color report immediately following the completion of all areas of the
