Office of the Vice President for Institutional Advancement

**Dear AMC Supporter:**

The 2009-2010 academic year commenced with another record increase in student enrollment for the fall semester and we anticipate an even larger student population with the spring enrollment. Because of your support, the future for Atlanta Metropolitan College (AMC) continues to grow and expand.

In October, AMC celebrated its 35<sup>th</sup> Anniversary as a University System of Georgia institution with our first Founder's Day Celebration. We invite and encourage you to join us throughout the year as we continue to celebrate this historic milestone.

Our commitment remains to meeting the needs of the Atlanta community while providing the academic programs and services necessary for AMC to achieve even greater success in the coming years. Your support, enthusiasm, and loyalty remain critical to sustain the positive momentum and advance Atlanta Metropolitan College for our growing population of students. You continue to be a vital part of our success as our capacity and capabilities continue to increase.

The next few years will continue to be economically challenging for our institutions of higher learning. AMC will remain steadfast and continue to move forward and progress in the current environment because of sound leadership and strong community support. Your financial commitment is equally important, and we invite you to support Atlanta Metropolitan College by making a gift to the Annual Giving Program. The Annual Giving Program represents unrestricted gifts that provide essential support that ensures a high quality education for all students. The Annual Fund remains the foundation of giving at AMC and the unrestricted nature of these gifts is critical because it permits the college to use these funds where the needs are greatest.

AMC's reputation as the "College of Choice" continues to build. With increased recruitment activities, strategic community engagement efforts, and providing relevant academic programs, AMC remains a top choice of the area's best and brightest students. These future leaders choose AMC because we offer a quality and challenging academic curriculum with small classes that encourages strong faculty-student interaction and success – all at a very affordable cost.

We urge you to send your most **generous** gift today. All donations to the *Annual Giving Program* add up to make a big difference, and no amount is too small. Your tax-deductible gift will mean more than you realize. Please visit our website at [www.atlm.edu](http://www.atlm.edu) to donate online or make your check payable to the Atlanta Metropolitan College Foundation, Inc., and forward your donation to Institutional Advancement, Atlanta Metropolitan College, 1630 Metropolitan Parkway, S.W., Atlanta, Georgia 30310.

Thank you for supporting Atlanta Metropolitan College and the deserving students of this great institution.

Sincerely,

Larion M. Williams  
Vice President for Institutional Advancement
