

## The HigherOne Easy Refund Program

Atlanta Metropolitan College has partnered with Higher One, a financial institution, to offer students quicker access to their refunds. Beginning Summer Semester 2009, all student refunds, including Financial Aid refunds, will be disbursed to students via HigherOne's Easy Refund Program. All students should activate their HigherOne Easy Refund Card even if they do not receive Financial Aid since refunds for withdrawals and overpayments will also be disbursed through the HigherOne Easy Refund Program.

When activating the Card, students will have the opportunity to choose one of two ways to receive their refund:

- 1) Easy Refund Card
- 2) Automated deposit (ACH) to a bank of the student's choice

The Easy Refund Card is a debit MasterCard® that can be used to make purchases at millions of locations worldwide and online, wherever Debit MasterCard® is accepted. The Easy Refund Card can also be used to open a free checking account, the OneAccount. *Pre-qualification is not a requirement for eligibility.*

Carrying the Easy Refund Card is safer than carrying cash and making purchases with a debit card is easier than writing a check. All of the debit purchases show up directly on the OneAccount online bank statement so there is the added benefit of always knowing how much money you have spent, where the money was spent, and how much is left in your account.

The Easy Refund Card will be mailed to the mailing address on file in the Banner System. **DO NOT THROW IT AWAY.** You do not have to open the HigherOne debit/checking account but you must choose how you would like to receive your refund.
