

Dear Student:

In our efforts to improve our processing and customer service to our students during registration the following will be effective beginning **summer semester 2008**.

Students are no longer required to visit the Financial Aid Office during registration **if they have received an award letter and have accepted their award**. Please check your student account via BANNER web to ensure that your award **is** being displayed as “**anticipated**” aid. If yes, you should go directly to the Business Office with your class schedule. The Business Office will then stamp your schedule as “**paid**” if your account has a zero balance.

If you have questions or concerns regarding the contents of this letter, please contact our office.

Sincerely
Office of Financial Aid
