## **DRUG AND ALCOHOL PREVENTION PROGRAM**

### **FEDERAL REQUIREMENT**

The 1987 authorization of the Higher Education Act states that Title IV Program (Student Aid) participation agreements will require an institution to certify that it has a viable institution-wide drug abuse prevention program as determined by the institution.

### **INSTITUTION POLICY**

The major thrust of activities at Atlanta Metropolitan College to implement the Drug Free Schools Campus Act, PL101-226, 1989 is toward the prevention of drug and alcohol abuse for our faculty, staff and students.

1. Statement – The possession, sale, purchase, furnishing or use of alcohol and/or drugs controlled by federal or Georgia law without valid medical or dental prescription is prohibited on campus and at any activity sponsored by the College or a recognized student organization off campus. The policy applies to individual students and recognized organizations.

Our counselors and faculty will be able to assist students who may have need for the services of these referral agencies.
5. Any student(s) charged with violating the institutional policy on drugs and alcohol which is stated in our Code of Conduct, will be subjected to the institution's Disciplinary Due Process for disposition of the case. Any student found guilty of charges will be disciplined in accordance with the disciplinary measures outlined for an infraction of the Student Code of Conduct.

5. Sponsor special weeks, days or health fairs with activities designed to stress prevention as the best solution to the drug and alcohol abuse problems among college faculty, staff and students.
6. Sponsor frequent workshops and seminars for administrators, counselors and supervisory personnel to assist them in their efforts to counsel faculty, students, and staff who may have need for agency services.
7. Distribute copies of the institution's Alcohol and Drug Prevention Program and Policy Statement to all faculty, staff and students.
