Students who do not complete No-Show Attendance Assignments and attend class sessions are NOT entitled to keep their financial aid award. The Registrar's Office will notify the students and faculty when the Attendance Verification Period has opened. The established "No-Show" Reporting (Attendance Verification) procedure will enable Atlanta Metropolitan State College to adjust financial aid awards before funds are issued to students (thereby eliminating liability for the College and the student). A student reported as non-attending a course must seek the approval of the instructor in order to be reinstated. Once approved, the student must complete the Reinstatement form and submit it. The Office of Registrar will process the reinstatement when course reinstatement process has been completed during Reinstatement Period.					

		<p>The student can demonstrate compelling reason (s) that have prevented attendance</p> <p>instructor believes that there is a strong probability that the student can catch up</p> <p>OR The instructor made an error, and the student was in attendance prior to being dropped</p>
	<b>Computer Hardware &amp; Software Requirements:</b>	<p>One of the challenges many encounter with enrolling in and completing an online course is the lack of accessibility to the required and recommended software and hardware. Different institutions, and even different courses within the same institution, have varying technology requirements. It is your responsibility to determine your hardware and software systems to determine its compatibility with the online course you have selected.</p>
