THE PURPOSE

The purpose of this program is to provide a unique experience of biblical studies. It provides real-world application. Our program is designed for those who have limited biblical knowledge and can appeal to those who have ministry experience. The purpose is also to accomodate those who may not desire to pursue a seminary degree.

THE PROGRAM

Take courses online at your convenience. A foundation in religious studies can provide excellent supplemental training for those working in ministry, counseling, social work, education, or crisis services.
