

What is TutorOcean?

TutorOcean is a free, supplemental tutorial service that is funded by the Georgia STEM Initiative Grant. Through this service, students enrolled in STEM courses can receive extra academic support to promote student success.

Why use the TutorOcean platform?

- Online scheduling and booking
- Live video chat
- Collaborate in real-time
- Location-independent learning
- Recorded sessions

An illustration showing two people in separate video chat windows. The person on the left has a pink background, and the person on the right has a yellow background. There are icons for a microphone and a video camera. A small Atlanta Metropolitan State College logo is in the top right corner.

Why Use TutorOcean?

TutorOcean tutors are highly skilled students at Georgia State University who have received professional training in providing tutorial services. The advantage of this service is that students have the flexibility to schedule sessions both online and in-person.

How do I connect on the TutorOcean platform?

1. Sign Up as a Student
2. Search For a Tutor
3. Book a Session
4. Connect Virtually

An illustration of a student sitting at a desk with a computer monitor, looking at a laptop. A small Atlanta Metropolitan State College logo is in the top right corner.

How Do I Sign Up?

Go to **TutorOcean** now and sign up!!!

Stay connected to Atlanta Metropolitan State College support services!

A red signpost with five arrows pointing in different directions. The arrows are labeled: "HELP" (pink), "SUPPORT" (yellow), "ADVICE" (orange), "GUIDANCE" (green), and "ASSISTANCE" (teal).

**Our goal is the same.
Keeping students safe
and engaged!**
