Next Steps for Students

As you are aware, the University System of Georgia (USG) moved all institutions to online instruction beginning Monday, March 30, 2020 through the remainder of the semester. Atlanta Metropolitan State College (AMSC) remains committed to continuing to provide services to all **Trailblazers** throughout the Coronavirus (COVID-19) Pandemic. Many of these services are being delivered in an online format.

AMSC students should focus on five student success priorities for the remainder of the semester.

- **Priority 1** - Check both your AMSC student and Brightspace/D2L emails daily.
- **Priority 2** - Use Brightspace/D2L to participate in your online class discussions and complete all assignments on time.
- **Priority 3** - Take advantage of priority registration for Summer and Fall 2020 by emailing your advisor or CAAS at academicadvising@atlm.edu or calling [404-756-5690](tel:404-756-5690).
- **Priority 4** - Complete your 2020-2021 FAFSA.
- **Priority 5** - Finish the current semester strong!

Reminder Notice:

To fulfill our mission to educate and graduate our students during this challenging time, AMSC will remain open, with minimal staff physically on-site, to ensure continuity of essential services. However, to ensure that our students, faculty/staff, and campus visitors are safe and that we do our part to help stop the spread of the COVID-19 in Georgia, students are not allowed on campus until they receive permission from the AMSC Office of Public Safety. Please submit requests to publicsafety@atlm.edu or [404.756.4477](tel:404.756.4477)
