1. The BlazerBucks account is an optional account of pre-deposited funds accessed by the cardholder for products and services on campus and off campus. Funds can only be withdrawn from the card upon withdrawal from the University or upon graduation. (See Closing Account/Issuing Refunds of Account Balance).
2. Cardholder's BlazerBucks account will be activated automatically upon receipt of initial deposit.

The Trailblazer Card Services office complies with the University's returned check policy.
4. Pre-deposited funds shall be applied toward amounts debited from your BlazerBucks account for goods and services obtained at points of sale. There is no daily limit to the number or amounts of purchases, provided funds are available on your BlazerBucks account. The cardholder understands and agrees that the BlazerBucks Account is not a credit card, nor can it be used to obtain cash from the account under any circumstances.
5. If the cardholder's BlazerBucks account balances go below zero as a result of a system problem or one of its readers being offline, the cardholder remains responsible for re-payment of any negative balance.

In the event of a negative balance, the cardholder will be contacted in writing either by mail or by email stating the negative balance amount and other pertinent information. A statement showing the transaction(s) and location(s) will be provided upon request.
