eCore Tuition and Fees

The tuition rate for eCore courses is applied separately from tuition for on-campus courses. A student's residency status has no bearing on the calculation of tuition for eCore courses. The tuition rate for eCore courses is \$159 per semester credit hour, regardless of residency status. For tuition calculation purposes only, the credit hours for eCore courses do not count toward the 15 semester credit hours that are needed to limit tuition charges at the plateau tuition rates. The mandatory Institutional Fee (\$100.00 or 200.00, depending on credit hours) and Technology Fee (\$40.00) applies to all eCore course registrations.

In addition and where applicable, students will be charged the following fees:

1. Applied Music Fee - \$60.00 per Credit Hour
2. Annual Vehicle Registration - \$25.00
3. Late Registration - \$50.00
4. Lab Fee - \$35.00
5. Replacement Student Identification Card - \$20.00
6. Graduation Fee - \$35.00
7. Accuplacer Test-Student -\$20.00, Non-Student \$50.00
8. Application Fee - \$20.00
9. Orientation Fee - \$75.00
