eMajor Tuition and Fees

The tuition rate for eMajor courses is applied separately from tuition for on-campus courses. A student's residency status has no bearing on the calculation of tuition for eMajor courses. The tuition rate for eMajor courses is \$199 per semester credit hour, regardless of residency status. For tuition calculation purposes only, the credit hours for eMajor courses do not count toward the 15 semester credit hours that are needed to limit tuition charges at the plateau tuition rates. The mandatory Institutional Fee (\$100.00 or 200.00, depending on credit hours) and Technology Fee (\$40.00) applies to all eMajor course registrations.

In addition and where applicable, students will be charged the following fees:
