March 30, 2020

Next Steps for Students

Welcome Back! As you are aware, all classes are online and back in session today, Monday, March 30, 2020 through the remainder of the semester. Atlanta Metropolitan State College (AMSC) remains committed to continuing to provide services to all Trailblazers throughout the Coronavirus (COVID-19) Pandemic. I wanted to share a few reminders as you get into “full swing” with online classes.

AMSC students should focus on five student success priorities for the remainder of the semester.

- **Priority 1** - Check both your AMSC student and Brightspace/D2L emails daily.
- **Priority 2** - Use Brightspace/D2L to participate in your online class discussions and complete all assignments on time.
- **Priority 3** - Take advantage of priority registration for Summer and Fall 2020 by emailing your advisor or CAAS at academicadvising@atlm.edu or calling 404-756-5690.
- **Priority 4** - Complete your 2020-2021 FAFSA.
- **Priority 5** - Finish the current semester strong!

**Contact Information**

Students with a need for specific AMSC guidance and assistance, please use the contact information provided below. In most cases, faculty and staff will respond within 1 business day.

**Academic Affairs**

- Online Instruction - Brightspace (D2L) | Contact your Instructor [www.atlm.edu](http://www.atlm.edu)
- School of Business and Technology | 404.756.4006
  - vmangum@atlm.edu  mglenn@atlm.edu
- School of Sciences and Health Professions | 404.756.4025
  - cflowe@atlm.edu  kbrooks@atlm.edu
- School of Social Sciences and Humanities | 404.756.4033
  - hakoh@atlm.edu  kbrooks@atlm.edu  mglenn@atlm.edu
Reminder Notice:

To fulfill our mission to educate and graduate our students during this challenging time, AMSC will remain open, with minimal staff physically on-site, to ensure continuity of essential services. However, to ensure that our students, faculty/staff, and campus visitors are safe and that we do our part to help stop the spread of the COVID-19 in Georgia, students are not allowed on campus until they receive permission from the AMSC Office of Public Safety.

Please submit requests to publicsafety@atlm.edu or 404.756.4477.
