

CONGRATULATIONS

Kimberley Gail Brooks

Ms. Brooks graduated in 1982 from Villa Rica High School. After high school, she attended Atlanta Junior College where she obtained an Associate of Science, Secretarial Science degree in 1989.

After graduating from Atlanta Junior College, she worked in both retail and government with Walmart and Douglas County Government in several capacities (Commissioners Office Receptionist, Assistant to the County Manager and Purchasing Assistant). After many life challenges, she returned to the classroom after 25+ years and obtained an Associate of Science and Bachelor of Science, Criminal Justice in 2015 and 2016 respectively, from Atlanta Metropolitan State College.

After graduation, she accepted a full-time position with Atlanta Metropolitan State College working as a Senior Secretary with the Division of Science, Math and Health Professions in the Mathematics Department. After 17 months, she was promoted to work in the division office and assisted the Dean and Chairs of both the Science and Mathematics Departments. Currently, Kimberley assists the Deans of the School of Science and Health Professions and the Dean of Social Sciences and Humanities.

Ms. Brooks attended Albany State University and will graduate December 12, 2020 with a Master of Science, Criminal Justice (Corrections Specialty) degree.

She is the mother of two adult sons, B. Morris and Jalen.

“The effect that Atlanta Metropolitan State College has had on my life was a sense of belonging and knowing that I can achieve, despite the odds of everyday life. The institution was a great fit, the small class sizes, the personal interaction with instructors and the overall campus atmosphere was not just an institution of higher learning for me, but also a “family” who poured into me and helped me achieve my goals. I learned that no matter your age, degree(s) can be obtained that will give one the skills to excel and have success.

The advice I will give to current students is “you’re not in a competition, have a plan and with that plan commit and dedicate yourself and you will be SUCCESSFUL!”
